

Loss, grief and sadness

What a challenging year! Many of us have been deeply affected physically, emotionally and spiritually by this virus.

There's a deep sense of loss. At Kingsland we have set up a room for people to come and remember, to mourn, to light a candle, to sit and think, to pray if you wish.

Please feel free to come and write on our Covid memory wall, light a candle, and remember.

Open on Good Friday from 10am- 7pm

COMMUNITY NEWS

What's happening with Aldi?

Amazingly during lockdown Kingsland Church was able to complete on the purchase of the Aldi space below the church. In the short term it's up to Aldi what happens next but at some stage in the future we anticipate being able to use the empty shop for community purposes.

At Kingsland we have always sought to use our building as an expression of our love for our community and now we can begin to plan to build on the success of upstairs. We recognise the potential of the new unit is enormous and we'd love to hear your ideas and thoughts on what this area needs and how we can best serve the community.

We would like to invite you to fill a simple survey, and add any comments on how we might use this space well for this neighbourhood, and the wider area. It's a large space so we anticipate being able to host several initiatives, but we'd love your thoughts on what the centre should include. Please would you help us and the community by completing the form inside this leaflet.
